

Two Weeks Prior to Moving Day

There is A LOT to think about when you're preparing to move. Below is a handy checklist that will make your move easier. If you have any questions or would like to schedule your move, just give us call: [862-253-4436](tel:862-253-4436)

Moving Checklist

Properly dispose of items that cannot be moved, such as flammable liquids.

- If moving to another state, prepare auto registration for transfer.
- If you are moving in or out of an apartment, arrange for use of the elevator.
- Make child-care arrangements for moving day.
- Hold your moving sale.
- Arrange for disposal of anything not sold at your moving sale.
- Service your car in preparation for the move. If you're moving from a warm climate to a cold one, check your antifreeze.

-
- Return any borrowed items (including library books) and retrieve any loaned items.
 - Cancel newspaper delivery.
 - Notify any creditors of your move.
 - Transfer prescriptions and be sure you have an adequate supply of medications on hand.
 - Assemble a file folder of information to leave for the new owner of your home.
 - Change your address - One week before your move, send change-of-address cards to everyone who will need to contact you.
 - Pick up laundry -- Laundry tickets are easy to misplace, so ask for your things by name and not just by the receipts you have.
 - Pack a travel kit. Creating a personal moving checklist for your travel kit may be helpful. Put aside critical items like a checkbook, credit cards, personal phone book, ID, flashlight, keys, toiletries, tools, paper plates, cups, towels, travel alarm clock, aspirin, bandages and games for the kids. Also, pack a suitcase with clothing and other personal items.
